Introduction

This is one of a series of "Clan" books that document the genealogical records of the children of James Gentry French (1755-1939), who went by his middle name, Gentry. A "clan" is defined as all the descendants of a child of Gentry's by one of his three wives: Margret Amanda Burgner, Louisa Jane McCollum, and Sadie Nancy Shively. Gentry's sons Archie and Waldon had no children, so they will not have a clan book. That means the clans are Claude, Sabra, Gilbert, Leonard, Emmett, and Fred (children of Margret); Crawford and Presley (children of Louisa); Beatrice, Virginia, Viola, and Lu Etta (children of Sadie).

The Virginia Clan comprises the descendants of Virginia Doris French (1922-1964), Gentry and Sadie's daughter, and her husband Earl Mustard, Jr (1920-1993). Virginia's ancestry may be found in the book *James Gentry French and His Three Wives*. Gentry's ancestry is included in the book *Unknown French to Gentry French - Five Generations*.
